Ministries International

Robert & Debra Lugar

April 9, 2010

Dear friends,

Over the last several weeks repression and persecution of Christians in North Africa have greatly escalated. Many Christian leaders have been arrested, interrogated, and expelled from their host country, and the organizations they work with are being shut down. We know God cares deeply for His children and His servants, and He has given our team the great privilege of ministering to many who are now suffering persecution. Though governments may be hostile to the message of Jesus Christ and may try to block their people from hearing, we believe God wants everyone to have the opportunity to encounter the Truth and choose life. Please join with us in fervent prayer for the missionaries and the national Christians and leaders who are serving God under persecution, as well as for all who are exposed to the Truth through their lives and testimonies.

It may encourage you to know that in the last year our team has been able to minister to Christian workers and leaders of 19 different nationalities who are serving in 32 countries throughout the world – many of these in areas of hostility and difficulty. God has shown His blessing on this great undertaking by allowing His servants to be strengthened, encouraged and to remain faithful in ministry – thus allowing the gospel to shine more brightly in the countries where they serve. And for some reason we are still amazed that He has, for the 27th year in a row, faithfully supplied for the work He has given us with increased ministry support.

In the coming weeks and months, we are scheduled to provide help to Christian workers throughout Europe, north Africa, the middle east and central Asia. There will be weeks when those needing help will be living with us, and many weeks when we will be traveling to work with ministry teams or entire agencies.

We already know the opportunities ahead require more strength, grace, wisdom, and finances than we currently have available. We ask you to consider joining with us in this much needed ministry, and we express a special thanks to you who do support us with your prayers and sacrificial gifts. God promises special blessings to all who sacrifice to fill the earth with the knowledge of His glory. Thank you.

Working together for Christ,

Dr. & Mrs. Robert Lugar
