

September 2009

Dear Praying Friends,

A testimonial recently received from a missionary who was able to utilize our services:

One Another Ministries was available at just the right moment, right when help was needed. It provided a safe place to debrief and to discover a clear perspective on my ministry situation, to see and to place all the elements uncovered in their appropriate place. Confidence was reestablished to take the next step and move forward with God's call upon my life. Thank you for this vital ministry to missionaries in action.

And thanks to all of **you** who make this possible!

The staff of One Another Ministries

Prayer Requests:

With the Fall of the year comes increasing travel requirements of ministry related training seminars, board meetings, and home church and family contacts. Pray for:

- Safe and expedient travel
- Insightful learning from seminars
- Our ability to encourage and challenge supporters
- Our missionaries – that they will make time to tend to their *own* spiritual, emotional, and professional growth as well.
