

One Another®

Ministries International

Decemer 2009

Dear friends

One Another Ministries has recently achieved another milestone in its ministry. We are now a member agency of CrossGlobal Link, which is the new name of the Interdenominational Foreign Missions Association (IFMA). This is a voluntary association with other missions agencies of like faith that operates much like accreditation agencies do for academic institutions. This is to say that in addition to inter-agency fellowship and cooperation, membership affirms that the agency meets or exceeds industry standards for financial accountability and ministerial practices. We are pleased to be associated with CrossGlobal, and hope that their affirmation of One Another will encourage others to join with us in the ever increasing need to minister to God's servants around the world.

At the time of this writing we are in our annual Board of Directors meeting, and as we strategize and plan for the future, we are more and more aware that the demand for the services we provide greatly outweighs our current ability to meet them.

Please pray for wisdom as we do plan for the future, and courage to step out into new areas of ministry as we feel led. And, as always, thank you so very much for partnering with us in *Caring For Those Who Care For The World.*

-The staff of One Another Ministries
